## “Recycling, Going Green & Saving the Planet Pledge”

### I Pledge To Take Care of Mother Earth For Future Generations by:

- Reducing waste by sorting and recycling trash properly in the designated bins.
- Reusing things by finding creative ways to restore and recreate them.
- Choosing to walk, ride a bike or use public transportation when possible, to avoid pollution.
- Saving energy by turning off lights and appliances when not in use.
- Planting trees, bushes, and flowers for a greener and ecofriendly environment.
- Conserving water by taking shorter showers, baths or when brushing our teeth.
- Using reusable and recycled bags when shopping.
- Adopting our dog or cat, from a rescue center or animal shelter when possible.
